**What: “The land made up of craters” – RESEARCH WORKSHOP**

for children at the age of 5–12.

Firstly, the Moon is Earth's natural satellite, it's huge and shines brightly at night. Secondly, it is the only space object watching us with its big eyes. Thirdly, sometimes it's clearly full and there are moments when it watches its waistline. Fourthly, it determines the sea coastline. Fifthly...

This time young stargazers will look closely at our neighbour.

**Where: The Ochota Cultural Centre, 75 Grójecka Str.**

**Admission: PLN 175 per cycle (5 sessions)**

**When: 13<sup>th</sup> February till 10<sup>th</sup> March 2016**

**What: Music and space. Oil painting and silk painting – Barbara Bielecka-Woźniczko**

The artist will exhibit the series of paintings inspired by music and specifically by the emotions deriving from it. The paintings by Barbara Bielecka-Woźniczko show an abstract phenomenon, energy and nature of music in the form of shapes, colouring and other artistic features. Colour expressions mirrors the tensions in music. Universality of various art movements allows for their synthesis.

The cycle "Widow" – birds painted on silk – expresses the artist's fascination with the nature.

The opening day – 13<sup>th</sup> February 2016, 5 PM.

**Where: The Pavilion "Pod Okiem", 79 Grójecka Str.**
